*European Society of Tissue Regeneration in Orthopaedics and Traumatology*

*CHAIRMAN: Thierry Bégué*

*Paris, University Paris Sud  
June, 27<sup>th</sup>, 28<sup>th</sup>, 29<sup>th</sup> 2016*

*Dear Colleague, Dear Friend,*

*It is a great honor to organize the 2nd congress of our rather young society ESTROT, where we shall be able to share our experience in reconstruction of the locomotor apparatus in all of its components.*

*ESTROT is a combined society devoted to clinicians and researchers, and discussions between us will guarantee new developments for a better healthcare to our patients.*

*This second congress will focus on different topics with a clear view of where we are and where we try to go. So we shall get an update on bone reconstruction, cartilage repair, tendon reconstruction, new trends for ligament reconstruction, nerve regeneration. BMP, PRP and MSC will be at the center of our discussions during the entire meeting. To stay on top of clinical and experimental research, just join this 2nd ESTROT meeting.*

*Paris is looking forward to meeting you.*

*Thierry Bégue*
