

# E.S.T.R.O.T.

European Society of Tissue Regeneration in Orthopaedics and Traumatology

## E.S.T.R.O.T. Founders

**President**  
Prof. Gerhard Schmidmaier  
Heidelberg, Germany

**Past President**  
Prof. Giorgio M. Calori  
Milan, Italy

**Vice President**  
Prof. Peter V. Giannoudis  
Leeds, United Kingdom

**Treasurer**  
Prof. Thierry Bégué  
Paris, France

**E.S.T.R.O.T. is a non-profit organisation whose main objectives are:**

- To relieve sickness in musculoskeletal disorders
- To cover all matters relating to the progress and development of the field of tissue regeneration
- To disseminate the useful results of tissue regeneration research into the medical profession
- To promote audit of hard and soft tissue reconstruction regarding patient outcomes
- To guide European Tissue Regeneration Policies and to guide alliances of similar organizations from other continents

**ESTROT Session in EFORT Congress**  
**THE IMPACT OF INFECTION ON BONE HEALING**

**Thursday, June 1<sup>st</sup> Vienna**

**h. 15:00 - 16:30 – Auditorium Paris**

*Chairmen and Moderators:*

***Giorgio Maria Calori*** (Milan, Italy), ***Gerhard Schmidmaier*** (Heidelberg, Germany)

15.00 Introduction

***Gerhard Schmidmaier*** (Heidelberg, Germany)

15.05 Implications of Infection at the Molecular and Cellular Level: What do we know

***Peter V. Giannoudis*** (Leeds, United Kingdom)

15.20 Can fractures still heal in the presence of infection: What is the evidence

***Thierry Bégué*** (Paris, France)

15.35 Strategies to suppress-eradicate infection: do they work?

***Philippe Hernigou*** (Paris, France)

15.50 New approaches to prevent post fracture infection: the role of coated implants

***Gerhard Schmidmaier*** (Heidelberg, Germany)

16.00 Case presentation and Group Discussion with Cofounders

***Giorgio Maria Calori*** (Milan, Italy)
